

Appl. No. 10/812,390  
Amendment dated April 28, 2006  
Reply to Office Action of April 13, 2006

REMARKS

Upon review of the application in response to the April 13, 2006 Notice of Allowance, Applicants discovered typographical and form errors in claims 1, 6, 7, 11, 14, 21, 26, and 27, and have amended the claims to correct those errors.

In claim 6 especially, Applicants have amended "comparing the frequency of the drive signal" to -- controlling the frequency of the drive signal --.

Entrance of this Amendment is respectfully requested.

Respectfully submitted,

Todd M. Guise
